

COPYRIGHT GUIDANCE REVIEW FOR GUIDANCE REGARDING CONTENT ON DTIC'S WEBSITE

The Defense Technical Information Center (DTIC) is a U.S. Government agency and provides information on this website as a public service of the U.S. Department of Defense. **THE COLLECTION INCLUDES BOTH MATERIAL THAT IS AND IS NOT PROTECTED BY COPYRIGHT LAW.**

U.S. Government works prepared by officers and employees of the U.S. Government as part of their official duties are not protected by copyright in the U.S. These works may be copied and distributed in their entirety without permission. Users should note and attribute the U.S. Government agency and private author when incorporating works of the U.S. Government in a copyrighted publication.

CAUTION: Government works may contain copyrighted material (e.g., quote, photograph, chart, drawing, literary works, etc.) used with permission. Copyrighted material incorporated in a U.S. Government work retains its copyright protection.

Contractors and grantees, and other non-Government organizations, including foreign governments and international organizations, generally hold copyright to works they produce for the Government and in their own works, which may be distributed on DTIC's website.

DTIC provides these copyrighted materials under a nonexclusive, irrevocable, paid-up royalty-free worldwide license which permits the U.S. Government to use, modify, reproduce, release, perform, display or disclose these works by or on behalf of the U.S. Government. The Government license in copyrighted materials is non-transferable to the public.

THIS LICENSE DOES NOT APPLY TO INDEPENDENT RESEARCH AND DEVELOPMENT PROJECT SUMMARY REPORTS, WHICH ARE REPORTED TO DTIC AT <http://www.defenseinnovationmarketplace.mil> AND SEPARATELY STORED, ACCESSED AND USED BY DESIGNATED DOD OFFICIALS SOLELY FOR COMPLIANCE WITH 48 CFR 231.205-18 (c)(iii)(C).

THEREFORE, you must carefully review and respect the copyright notices and other legends on all documents that you download from DTIC's website and obtain permission from the copyright holder if you wish to reproduce and distribute the copyrighted material separately in another context.
